The README.md content is displayed below the table, showing the project title 'Sea-side-soutch-park' and the description 'Web group project'. On the right side, there's an 'About' section, 'Releases' (no releases published), 'Packages' (no packages published), and 'Contributors' (4 contributors listed: tharusha977, iresh1997, dmrmadusanka99, and deshadi23). A 'Languages' section shows a bar chart for HTML (84.7%) and CSS (15.3%).

This screenshot shows the 'Pulse' tab of the GitHub repository. The top navigation bar includes 'Pull requests', 'Issues', 'Marketplace', and 'Explore'. The repository name 'tharusha977 / Sea-side-soutch-park' is at the top, with 'Unwatch', 'Star', and 'Fork' buttons. Below this, a sidebar on the left lists navigation options: Pulse, Contributors, Community, Traffic, Commits, Code frequency, Dependency graph, Network, and Forks. The main content area is titled 'December 24, 2020 – December 31, 2020' with a 'Period: 1 week' dropdown. The 'Overview' section shows a progress bar and statistics: 9 Active Pull Requests, 0 Active Issues, 9 Merged Pull Requests, 0 Open Pull Requests, 0 Closed Issues, and 0 New Issues. A bar chart shows the number of commits per author, with a note: 'Excluding merges, 5 authors have pushed 29 commits to main and 29 commits to all branches. On main, 0 files have changed and there have been 0 additions and 0 deletions.' At the bottom, it states '9 Pull requests merged by 4 people'.
